

HOLIDAY MESSAGE FROM THE PRESIDENT AND PICKLEBALL SANTA

Dear Members,

As another year draws to a close, I am hoping you are making the most of the 2020 Holiday Season. This is a special time of year, and as strong and proud Albertans, no one or no thing, will take away from us the spirit the season brings. Other generations have been tested during special times, but our beliefs, faith and love for our country, fellowman and family has never wavered. I ask each of you to reflect on the special moments and savour the good times, and the relationships that we have cultivated over the year.

I would like to also take this opportunity to thank the club volunteers and boards, both at the provincial and club level for the tremendous effort they put in to make sure that our members and game are well looked after. Many of us do not see all the demands placed on them, but their work is greatly appreciated. To the National Board members, I thank them for their dedication to the success of the game and growth of pickleball and for their tremendous input to the proper governance of our organization. All commit endless hours of volunteer time to make sure our members are provided with opportunities to continue to play our game safe, respectfully, and to meet new friends like no other.

To you the members, my sincere appreciation for your support of Pickleball Alberta and the pride you demonstrate at being members of our association. You are the source of the strength for Pickleball Alberta.

On behalf of the Board of Directors of Pickleball Alberta, we hope this holiday season is a safe one, and that the New Year brings you much health, happiness, prosperity... and unlimited pickleball, with maybe even a medal at the Canadian Nationals in Red Deer this coming August!

Attached are 10 gifts that Santa wanted to put under the tree for you for 2021 and some interesting holiday reading.
